

## METRO ST. LOUIS SENIORS GOLF ASSOCIATION

Anyone age 55 or older, men or women, is allowed to seek membership. There are currently four divisions which play an 18 hole tournament once a week at a different golf course, for 25 weeks. Divisions 1 and 2 play on Fridays, while Divisions 3 and 4 play on Thursdays. Division 9 plays a 9 hole tournament each Wednesday, at Riverside Golf Course. Dues for the 18 hole divisions are \$60 per year, while the 9 hole division dues are \$28.

Tee times are between 6:30 and 8:30 AM, depending on the course. Sequence of play is determined on a first come, first play basis. When you have your foursome ready, you will get a tee off number. Groups tee off on the 1<sup>st</sup> and 10<sup>th</sup> holes, and an average round takes about 4.75 hours. A few courses have "shotgun" starts. Each player is responsible to pay for their own greens fee and cart, and there are some price concessions by the golf courses. Some of the golf courses allow walkers at a discount, and some require use of their motorized carts.

Signed scorecards are turned in after each round, and the results for that tournament are available on our web site by about Tuesday or Wednesday of the following week. After a member has played 3 rounds, a handicap is established, and he or she is then eligible to participate in the weekly prize pools. There are 4 flights in each division, based on handicap to determine prize money. Prize money is accrued and paid at the end of the season.

Members are allowed to set up their own foursomes, but many members prefer to play with whoever is available each week. Each division is limited to 185 members, and will average 100 to 120 at each tournament. There is no requirement to play in every tournament, but in order to maintain a handicap; there is a minimum of 5 rounds per season. There are weekly prizes for closest to the pin and a special prize for a hole in one. We play under modified USGA rules. The golfers are not divided by age or handicap. The maximum calculated handicap index is 36.4 for men and 40.4 for ladies.

Play usually starts in mid-April, and continues through early October. We print a membership directory each year, listing officers, courses, rules, and directions. A pocket schedule with courses, tee times, and prices is also provided. There are two general membership meetings each year, in March and November. There are also several "Special Events" each year, which are optional and require separate sign up on the applications included in the directory booklet.

You may check with any officer, or see the note on the website to determine if space is available in your preferred division. If so, send in the application with the \$60 (or \$28 for Div 9) dues for the season. If you want to be placed on the waiting list for next year, send in the application with a \$5 deposit fee (which will be applied to the first year's dues) to the address noted on the application below.

If you have any questions, send an e-mail to [webmaster@golfstlseniors.com](mailto:webmaster@golfstlseniors.com), or a leave verbal message on our Voice Mail Box at 314 238-1253.

Thank you for your interest in the Metro Seniors Golf Association.

If you know space is available, send in \$60 for the current year's dues for Div's 1 to 4, and you will be immediately placed into the appropriate division. (\$28 for Division 9 on Wednesdays)

If space is not currently available, or you are unsure, send in \$5 deposit, and you will be placed on a waiting list. On first on, first off basis, you will be notified when space becomes available.

From August onward, it is appropriate to send in the \$5 deposit to be placed on the next year's waiting list. In January, after current members have had their chance to renew, those folks will be accepted in reception sequence, and contacted for the balance of their dues.
